

Merchandise and Book Discount/Resale Policies

Discounts are provided exclusively to Georgia Historical Society (GHS) book and merchandise resellers and to current GHS members.

GHS Member Discounts

Current GHS members receive discounts based on membership levels. Student (\$35) to Benefactor (\$250) level members receive a 20% discount on GHS books and merchandise as well as discounts on photocopies, research fees, and photograph orders made through the Society.

Sustainer (\$500) level and up levels receive the same discounts on services as previous mentioned levels, but a 20% discount on GHS merchandise.

GHS Affiliate Chapter Discounts

Organizations that are part of the GHS Affiliate Chapter Program may purchase GHS publications for their library at a 20% discount, or for resale as a fund raiser at a 40% discount. Please visit our website or contact us for more information on the Affiliate Chapter Program.

Book and Merchandise Resellers

An eligible reseller is a retailer or dealer who purchases Georgia Historical Society titles or prints for resale to end-consumers. Qualifying accounts include bookstores and other specialty retailers: gift stores, art galleries, and direct mail catalogs (whose customers are individuals).

The discounts are 20% for books and 30% for prints. These discounts *do not apply* to shipping and handling charges.

For an order of 100 or more copies of a single title or print, the book discount rises to 35% and the print discount rises to 40%.

Georgia Historical Quarterly Author Discounts

Authors who contribute articles to the GHQ will receive a 20% discount on their purchases of the Georgia Historical Quarterly. All other purchases will be regular price (unless a discount above is applicable).

GHS requires prepayment on all purchase orders and standing orders from resellers.

GHS will follow any special instructions that are listed on the purchase order regarding shipping and billing addresses, number of copies of the invoice, and delivery date requirements. GHS cannot use alternate carriers or ship collect except by special prior arrangement for large orders.

GHS accepts purchase orders by mail, fax, or e-mail. If you have ordered from GHS before, we can accept your purchase order over the phone. Below is our contact information:
