## Use Permission Application

Possessing reproductions of Georgia Historical Society materials does not constitute permission to publish. Pre-payment of all applicable fees is required before permission is granted. If permission is refused, the applicable fee(s) will be refunded. However, **no** refunds are made for images deleted after permission has been approved.

The Georgia Historical Society reserves the right to refuse permission if it deems fulfillment of that request would be in violation of copyright law or other law. It also reserves the right to refuse permission or to impose such conditions as it may deem advisable in its sole and absolute discretion to be in the best interests of the Georgia Historical Society. This includes, but is not limited to, the right to decline use of images for advertisement, editorial, or political purposes that might imply endorsement or agreement with the position or product in which the image will appear.
