

Franklin Delano Roosevelt (FDR), 32nd President of the United States, had a special connection with Georgia. FDR first visited Warm Springs, GA, in 1924 to seek treatment for polio from the therapeutic waters of the warm springs from which the town gained its name. Take part in the online historical marker scavenger hunt below to learn more about FDR and his time in Georgia.

To get started, use the [Georgia Historical Marker Online Database](#) to find answers to the questions! You can access the online database by following [this link](#).
